WELCOME TO THE FURNACE

Welcome to the Compass Grounds for Saturday afternoon football with our Round 19 NPL Men's fixture. We welcome Sunshine Coast Wanderers FC to Compass Grounds.

The NPL Men's Under 23's start off the proceedings with the early game at 12.45pm. The NPL Men then take to the field at 3.15pm.

There is very little on the table between 4th place and 10th place and all the sides will be primed to improve their positions. Wanderers are in a run of form and we've always had close tight games with Wanderers and the Red Devils will be out to get the most out of this one.

The Red Devils will have to fire on all cylinders if they want points from this encounter.

So C'Mon Redlands **GET YOUR RED ON, ENJOY THE SATURDAY AFTERNOON SUNSHINE, BE LOUD, BE PROUD, MAKE SOME NOISE AND BE HERE TO CHEER ON YOUR RED DEVILS!**

What more is there to say except **C'MON YOU REDS!!!!!!**

Next week its Friday evening football at Cleveland as our Senior Men's teams are at home against Brisbane City FC in Round 20 at 8.30pm with the Under 23's at 6.30pm.

Get your Red on get down to the grounds and support our Red Devils.

We welcome Sunshine Coast Wanderers to the Compass grounds this weekend in what shapes up to be an important fixture for determining where both teams finish the season.

Both teams will be looking for a win to secure NPL football for 2024.

Since Sunshine Coast changed coach they have gained a bounce with experienced mentor Kevin A'Herne Evans in charge.

Last weekend our boys were disappointed to only come away with a point against Gold Coast United after dominating much of the game.

We were delighted that Irish import Fionn Reilly scored his first goal for the club.

As we prepare for this game I am sure everyone is as intrigued as i am to see what outfit our Head Coach Dr Dan will be wearing on the sidelines as we get behind him and the boys in the game.

Our FQ Academy juniors take on Sunshine Coast Wanderers at home as well.

Our juniors had some big wins against Wolves last weekend with the 15's securing a resounding 7-0 win.

We appreciate all of your ongoing support across the last few remaining games of 2023.

WOMEN'S VIEW

WITH **JODIE PRESTON, RUFC WOMEN'S FOOTBALL**

With the Women's World Cup about to kick off in Australia and New Zealand there's never been a more exciting time to be part of a Women's Football Program. As a club we have had a lot to celebrate in the lead up to the games.

In partnership with Football Queensland we held a girls only football clinic. The program was well attended by junior girls from 4 - 16 years of age, coming from all over the bayside area. The girls had a blast with the FQ coaches, learning new drills and skills, despite the very wet conditions!

We also held a number of events during Female Football Week including our Annual Ladies Day. Once again we were joined by Football Queensland who shone a spotlight on Redlands United FC and our Female Football program and initiatives.

The day saw all of our girls team playing at home, with some presentations, interviews with current players, shout outs from prolific RUFC alumni and current A league players and CAKE!. There really is a rich history and culture of support for female football at RUFC and the day was a huge success. I'd specifically like to thank Carina for her hard work in making the day happen!

As the season is drawing to a close, it looks as though we'll have some Semi-Finals football from across the female teams, watch this space for updates! Further, we will continue to push for our aim of 10 female teams in 2024 as FQ work towards gender parity in our game. We call this initiative #target10 and we will be continuing to build and grow our program and female footballing body.

Finally, 2024 will see us celebrating 50 years of female football at RUFC and we have some big ideas in the pipeline for this!

For now we can sit back and watch the magic of a world cup on home soil. The games will be played in the club house for all those wanting a bit of atmosphere!

Regards
Jodie

PL MEN'S ROUND 18

REDLANDS AND GOLD COAST UNITED FC

Sunday afternoon football returned to Cleveland when Redlands United played host to 2nd placed Gold Coast United at Compass Grounds in Round 18 of the NPL Men's competition in a very entertaining game. A goal to both teams in the 2nd half meant the competition points were shared.

Redlands United Line Up	
1. Ryan Govan	2. Dylan Brent
7. Guil Santana	9. Peter Klaassen
10. Ryo Emoto	11. Deane Alterio
12. Noah Hitchcock	13. Angus Broderick
18. Fionn Reilly	21. Jack Skinner
22. Michael Lee	
Reserves:	
4. James Piercy	14. Lee-Navu Faunt
17. Sean Kennedy	19. Luke Turner
15. Nick Terry	20. Joel D'Cruz

Redlands were given an early scare as Goalkeeper Ryan Govan was forced to save a close range shot as Gold Coast moved the ball into the goal box before firing in a goal bound shot that Govan saved with his legs.

In a very tight affair the game moved from end to end with neither team really worrying the goalkeeper until a 5 minute spell from the Red Devils had Coast defending stoutly.

On 25 minutes Ryo Emoto's shot was deflected over the crossbar, 2 minutes later Michael Lee's top corner bound shot was tipped over by a diving keeper who also had to tip the resulting corner over the bar. A good spell for the Red Devil's but Gold Coast managed to keep the game locked at nil all.

Right on the brink of half time Coast stole the ball right on the back line. The ball was crossed to the far post where the subsequent goal bound header was saved by young Govan, ensuring the teams went into the sheds on equal terms.

As the 2nd half commenced the game went from end to end in a entertaining contest, as both sides looked to attack at every opportunity. It was Redlands who were on the scoreboard first when Fionn Reilly scored his 1st goal for the club. A throw in from the middle of their own half was worked upfield through some great team play where Reilly out maneuvered his defenders to place the ball past the Keeper.

Redlands continued to press forward moving the ball around well, creating further half chances with Coast trying to make something happen at the other end. On 72 minutes Gold Coast had their equalizer when from a free kick, out wide in line with the goal box, Jarrod Kyle out leapt the Redlands defense to head home Gold Coast's goal.

The goal set up an exciting finish to the game as both sides continued to push forward seeking the winner but were continually denied.

As the game entered its final stages Redlands increased their efforts but Coast's defense maintained their form. Jack Skinner caused Coast problems all night and with a minute to go beat his defender out wide and chipped into the middle where Guil Santana's header went just wide. The game ended with Redlands pressing forward through Reilly, but the game ended 1-1 with the teams sharing a point each in an entertaining game at Compass Grounds.

Redlands' Fiction Bar and Restaurant, Man of the Match was awarded to Redlands midfield maestro Jack Skinner for a strong attacking performance.

DEVILS ROUND UP

with Daniel Varma

Today we welcome Sunshine Coast Wanderers to the Compass Grounds for an extremely important Round 19 Match.

Despite not picking up as many points as we deserved the last few weeks (predominately against the top 4 teams) there have been many positives on individual and collective levels.

We all understand the effort and precision that will be required to win on Saturday afternoon.

We are all confident in one another and united as a squad. Continued positivity and togetherness drive us each match and it's a credit to my squad that these qualities have been unwavering all season.

Our approach to this game will be the same as every other this season. To take 3pts, sing our song and celebrate a victory we will have all earned for one another.
